Dear Friends of Parks-Bentley Place,

It is with great sadness that we acknowledge the passing Stan Malecki. He died on Thursday, December 3, 2020.

Stan was a driving force at Parks-Bentley. In addition to having served as President of the Historical Society of Moreau and South Glens Falls for several years, he could regularly be found writing or presenting programs to children and adults, working on the computer making exhibit signs and posters... even gathering garbage... all to be of assistance at Parks-Bentley Place. His creative ideas sparked many of the programs available today and his wit kept many of us smiling, even after a long day's event or project.

Stan generously donated to Parks-Bentley his vast collection of Nativities gathered during his extensive travels. While we were unable to have the in-person display this year, we hope to hold next year's exhibition as a tribute to Stan.

We will miss his knowledge of and enthusiasm for history, educating everyone who visited or worked at Parks Bentley with his wealth of information and stories. We will miss the fine man and friend that he was.

Please join us in extending sympathy to Stan's family and friends.

Nancy Purinton
President

P.S. Condolences can be sent care of the Baker Funeral Home at 11 Lafayette Street in Queensbury. Stan's family has requested that anyone wishing to honor Stan's memory with a donation in his name send it to either Parks-Bentley Place or to the Abraham Wing School playground fund.
